Put me down for 2 copies (Herald Exps
of Old California", & upon receipt will mail ck. I have lost
the application blanks. I remember with great pleasure our
dinner together at your cattle ranch near Pasadena in March 1904.
I know W. W. Whitney of San Diego, & wrote him congratulating
him on his 30,000 - donation to our museum. Good luck to
you! I admire your zealous effort in the right direction.

Yours cordially & fraternally

I have read your books
at Casa Pootienpi
